

Norwich International School

Bangkok

Individuality Excellence Mindfulness

Head of Secondary

Norwich International School is a young school, in its sixth year of operation with Secondary slowly being established. Currently we have small single classes in Years 7, 8 and 9, where most of the students are Thai and as such second language speakers. We follow a British style curriculum, with a brand new Secondary building, with state-of-the-art facilities and a boarding component, being constructed over the next couple of years.

We will be introducing Year 10 for the first time from August 2020, having recently been authorised by CAIE to be an examination centre. We are planning for this cohort to then undertake the IB Diploma Programme from August 2022. As such we are seeking someone familiar with CAIE and with the International Baccalaureate Diploma Programme for this position.

This position may be of particular interest to an experienced IBDP Coordinator looking to take the next step into senior leadership at a developing school. A major part of this role initially will be to lead Norwich through the authorisation process for the IB Diploma programme.

Norwich is also working through the Membership and subsequent Accreditation processes with CIS, as such experience with the CIS accreditation process would also be an advantage.

With only around 60 students in Secondary from August 2020 and a new Secondary building being built, while also implementing new curricula, systems and process this is an exciting opportunity for a passionate and inspirational educator.

Suitable applications from all locations are welcome but those with local or regional expertise will be viewed favourably.

Benefits

- Competitive salary, travel allowance, settling in allowance, free lunches, health insurance and others.

What we offer

- An ambitious, expanding, successful and vibrant place to work.
- State-of-the-art learning environment and facilities.
- Children who are bright, confident and eager to learn.
- A supportive working culture that focuses on positive learning behaviour and high expectations for all children.
- A senior leadership team that is committed to developing others.

Requirements

- A Bachelor's Degree or equivalent, a post-graduate qualification in Education and Qualified Teacher Status (or equivalent).
- Desire to progress through Continual Professional Development opportunities.
- Appropriate high expectations of all children.
- Innovative and creative teaching practices.
- Being a team player with a positive, friendly disposition.

How to Apply - Please send a resume of no more than 2 pages, a covering letter and a single page statement on your leadership philosophy in an educational context to apply@norwichschool.ac.th
